Live Well at Home Partners with Lyft for On-Demand Transportation

Live Well clients can access a Lyft ride just by calling Live Well

Live Well at Home by is working with Lyft to deliver safe, reliable, affordable and hassle-free rides, all without the need for cash or credit card transactions.

Additionally, this partnership enables seniors to access the benefits of a technology-based service without the hassle of using smartphones or downloading an app.

To request a ride with Lyft, Live Well at Home clients simply call Live Well 24 hours a day. **There is no app or smartphone required**, as Lyft's Concierge tool handles the ride coordination. Lyft vehicles are comfortable, safe and can accommodate wheelchairs and walkers.

On average, most Lyft rides cost 35 percent less than other transportation services. **There are no transactions at the time of the ride – all Lyft services are conveniently added to the client's Live Well at Home invoice.**

Reliable transportation ensures that seniors can continue to participate in social gatherings, family outings, and other important activities like medical appointments, with or without a caregiver.

Note - if you need assistance in and out of the car you must have the person or caregiver with you.

Eskaton Foundation supporting seniors!

We're a nonprofit organization on a mission to make it time to help seniors.

Ways to Help

Philanthropy is a very personal choice and we believe that any one can be a philanthropist.

Our success in meeting the needs of seniors is based on the generosity of our donors. We offer many ways to help.

Ways to Help

Transforming Dementia Care - *at home*

Person-Centered, Activities-Based

Live Well's Transforming Dementia Care allows loved ones with dementia to receive the daily care they need while allowing them to remain in the place where they feel most comfortable and safe – home. Live Well combines the expertise of our Certified Geriatric Care Managers, RN, care navigators and Live Well Transforming Dementia Care Partners, to bring your loved one and family a **person-centered, activities-based memory care program at home.**

If you already have care 5 days a week and at least 4 hours per day it is an easy transition to this program - call us to find out how
