

Neighbors helping neighbors is the ultimate testament of our residents' commitment to supporting each other – a longstanding trait of Eskaton and its communities.

“One of our core values in life is to be able to help those in our community through education and services.”

- Al and Millie Kahane

EVC Resident Assistance Fund

Understanding the Need

At Eskaton Village Carmichael, our residents enter with the financial resources that should sustain them. Sometimes, however, fate intervenes and disrupts the most careful planning and management. A resident might simply outlive his assets; she might need extensive medical care; or he might be a victim of financial fraud. With the aging of our population and a longer life-span, more and more residents are experiencing these unplanned circumstances.

EVC Resident Assistance Fund

The EVC Resident Assistance Fund is a safety net that assists our residents who, through no fault of their own, exhaust their financial resources. Giving to this fund demonstrates deep compassion for those who find themselves in a crisis at a time when they most need the help.

Our fervent belief is that all Eskaton residents will always have a home if, in good faith, they run out of the resources meant to carry them through.

What will your gift do?

Your donation to the EVC Resident Assistance Fund is a tax-deductible charitable contribution that will touch the lives of seniors when they need it most. Charitable giving allows us to provide help without drawing on resources earmarked for broader community needs.

You can choose to give:

- To the EVC Resident Assistance fund Endowment, where your donation will help your neighbors in perpetuity, and
- To the Today fund, which immediately helps those needing assistance.
