Eskaton's Spectrum of Services

Independent living residents at Eskaton Village Carmichael enjoy the peace of mind that comes with knowing they can seamlessly transition to higher levels of care should their needs ever change. With assisted living, memory care, rehabilitation and skilled nursing services all available on campus, our residents can easily obtain the additional support they need while maintaining the relationships they've formed and continuing with the activities they enjoy.

For those prospective residents looking for an assisted living or memory care community, the residents and care team at Eskaton Village Carmichael are ready to welcome them. Our dedicated care partners provide assisted living residents direct assistance with activities of daily living (ADLs), such as bathing, grooming, medication management, and more. Eskaton's Dawn of a New Day memory care program provides comfort, security and inspiration for those older adults experiencing dementia and Alzheimer's. Rehabilitation and skilled nursing services are also available on-campus, and short-term respite stays offer caregivers vital support in caring for their loved ones.
