A Cool Start to Summer

Team members at Eskaton Care Center Fair Oaks and Eskaton Lodge Gold River got to cool down this week when Kona Ice delivered an amazing summer treat for the staff!

These summer celebrations were just a small token of Eskaton's appreciation for the hard work and tireless service our team members offer our residents and their families every day. We hope you enjoyed the treats and know how very valued each and every one of you are!

Bocce, Anyone?

Residents at [Eskaton Village Carmichael](#) are movin' and groovin' with some competitive bocce!

Though social-distancing guidelines have relaxed some, games are still limited to two players at a time, but these residents were elated at the opportunity to get active and have a little fun in the process! Thank you to the team at EVC for continuing to be creative and thinking "outside the box." Or, in this case, *inside* it!

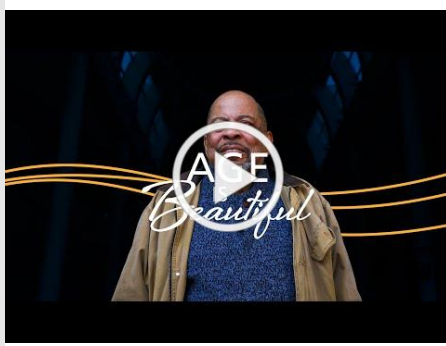

Courage in Service

The team at [Eskaton Lodge Gold River](#) has been awarded the [Interim Healthcare's](#) "Courage Award," nominated by staff at Senior Care Solutions.

IH presented the ELGR staff with the award and "hero" t-shirts for all staff members, remarking that they were more than honored to do so.

Please join us in offering our most heartfelt congratulations for this recognition of the support and care they've provided their residents and the entire Gold River community.

A Promise Kept

Keeping a promise isn't always easy, but for [Judge Rudolph "Barry" Loncke](#), keeping one made to [Dr. Martin Luther King, Jr.](#) became the work of a lifetime.

One of the youngest African-American students to ever attend [Yale](#), he met the illustrious leader of the civil rights movement when Dr. King visited the university to speak about racial inequality in America.
