Outstanding Caregiver Award

Brian Stuart, resident medication assistant at Eskaton Village Placerville (EVP), has been awarded the ["Outstanding Caregiver Award"](#) by the California Assisted Living Association (CALA). For over 29 years, Brian has dedicated his time and talent to supporting and uplifting the lives of older adults.

CALA's recognition of Brian's tireless service is only the most recent in a string of accolades that have spanned decades. During his 14 years with Eskaton, he has earned 14 of Eskaton's "Guardian Angel" awards.

Please join us in congratulating Brian and the [Eskaton Village Placerville](#) team for their recognition and service to older adults.

National Certified Nursing Assistants Week

CNAs are our unseen heroes behind the masks, but we see you, and we appreciate all that you do!

[Eskaton care centers](#) have had a lot of fun over the last few days, celebrating National Certified Nursing Assistants Week!

CNAs make a difference in the lives of our residents each and every day, and we were honored to celebrate them this week.

We wish to send a big "Thank You!" for all their hard work and dedication to our residents, 365 days a year!

A Happy Father's Day

The Eskaton family of communities celebrated all the dads, last weekend.

Happy (belated) Father's Day to the dads that have taught us so many lessons and skills.

Thank you to all the staff for their hard work in putting together events to celebrate Father's Day.

We hope that all the dads out there had an amazing day!

Words of Wisdom

Residents across multiple communities shared "[Words of Wisdom.](#)" Their messages vary from a single word to life-enhancing mottos.

Words of Wisdom included: a reminder to "Smile," and to "Live life with Faith." Georgia at [Eskaton Village Placerville](#) shares: "Put it all in God's hands. That's what we can do. GOD is LOVE!" Other pearls of wisdom remind us to be kind: "Try to be nice to everyone you come in contact with."

Our favorite comes from Jerry, a centenarian at [Eskaton Village Roseville](#): "Never stop learning and do what you do well."

Thank you to all the residents who shared their wisdom, keep it coming!
