Eskaton's unsung heroes - the essential work behind the scenes

This special edition series of Good News Heroes is designed to keep Eskaton's staff abreast of positive news throughout our communities. To share your stories, please email creative.team@eskaton.org.

Crazy Hat Week

Laughter truly is the best remedy. Eskaton care partners share their silly side with our residents and the community during Crazy Hat Week. With the challenges we are currently facing, finding ways to laugh and smile is more important than ever. We thank our dedicated team for their concern for the total well-being of the older adults in our community.

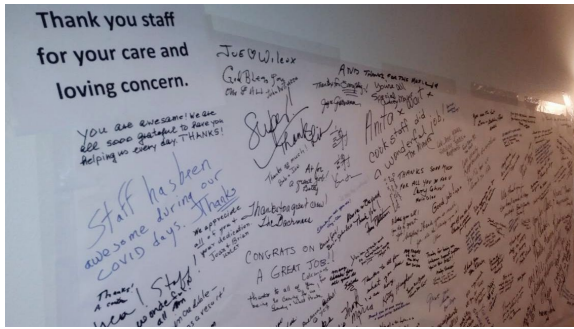

Hallway Happy Hour

Social distancing doesn't mean you can't have fun! Eskaton staff members are thinking outside the box and finding ways to keep residents connected, even if only from across the hall. Cheers to our Eskaton team for their ingenuity and for showing us that anything is possible when we stick together.

A Little Food, a Lot of Love

Eskaton team members distributed essential groceries and supplies to 26 older adults in social isolation throughout Elk Grove, West Sacramento, Natomas, and El Dorado Hills. The 26 older adults are part of Eskaton's Telephone Reassurance Program and are self-isolating. Each program participant was supplied with three bags filled with wonderful groceries.

Seven Feet of Love

Eskaton residents looking for a way to show their appreciation to their dedicated care partners created a “Gratitude Wall” at Eskaton Village Carmichael. With over 100 notes of thanks written in two days, staff members can see for themselves the great impact they have on our residents.

Gracious Vendors

Three local companies donated personal protective equipment (PPE) to Eskaton. Donated items include masks and gloves and other essential protective equipment to safeguard Eskaton team members and residents through these challenging times. We are beyond grateful and appreciate the generosity of: Servpro CRC; Commercial Appliance Service, LLC; and Solace Enterprises.
