ANNUAL REPORT CHECKLIST

FISCAL YEAR ENDED: 12/31/2021

| PROVIDER(S): | |
|--------------|--|
|--------------|--|

Eskaton

CCRC(S):

The Reutlinger Community

| PROVIDER CONTACT PERSON: Dan Seiler | |
|--|------------------------|
| TELEPHONE NUMBER: | E-MAIL ADDRESS: |
| (916) 334-0810 | Dan.Seiler@eskaton.org |

A complete annual report must consist of 3 copies of all of the following:

Annual Report Checklist.

Annual Provider Fee in the amount of: \$11,577

□ If applicable, late fee in the amount of: \$_____

V Certification by the provider's **Chief Executive Officer** that:

1 The reports are correct to the best of his/her knowledge.

- Each continuing care contract form in use or offered to new residents has been approved by the Department.
- The provider is maintaining the required liquid reserves and, when applicable, the required refund reserve.

Z Evidence of the provider's fidelity bond, as required by H&SC section 1789.8.

Provider's audited financial statements, with an accompanying certified public accountant's opinion thereon.

✓ Provider's audited reserve reports (prepared on Department forms), with an accompanying certified public accountant's opinion thereon. (NOTE: Form 5-5 must be signed and have the required disclosures attached (H&SC section 1790(a)(2) and (3)).

^I "Continuing Care Retirement Community Disclosure Statement" for **each** community.

Sorm 7-1, "Report on CCRC Monthly Service Fees" for *each* community.

□ Form 9-1, "Calculation of Refund Reserve Amount", if applicable.

☐ Key Indicators Report (signed by CEO or CFO (or by the authorized person who signed the provider's annual report)). The KIR may be submitted along with the annual report, but is not required until 30 days later.

PART 1 <u>RESIDENT POPULATION AND ANNUAL</u> <u>PROVIDER FEE</u>

PART 2

CERTIFICATION BY CHIEF EXECUTIVE OFFICER

CERTIFICATION BY CHIEF EXECUTIVE OFFICER

As required by the Continuing Care Contract Statutes, I hereby certify that:

- The annual reserve reports and any amendments thereto are correct to the best of my knowledge.
- Each continuing care contract form in use or offered to new residents has been approved by the Department.
- As of the date of my certification, the provider is maintaining the required liquid reserve and, if applicable, the required refund reserve.

Dated: April 22, 2022

Todd Murch, Chief Executive Officer

Report of Independent Auditors

The Board of Directors Eskaton and Subsidiaries

Report on the Audit of the Financial Statements

Opinion

We have audited the consolidated financial statements of Eskaton and Subsidiaries, which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the related consolidated statements of operations and changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Eskaton and Subsidiaries as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eskaton and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eskaton and Subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eskaton and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eskaton and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating schedules on pages 42 to 54 as of and for the year ended December 31, 2021, for Eskaton and Subsidiaries, Eskaton Properties, Inc., and Eskaton, presented as supplementary information, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the consolidated statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

The supplementary information – social responsibility on page 55 for the years ended December 31, 2021 and 2020, is presented for the purposes of additional analysis and is not a required part of the consolidated financial statements. Such information has not been subjected to the auditing procedures applied in the audits of the consolidated financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

NOTE 1 – ORGANIZATION AND PRINCIPLES OF CONSOLIDATION

The accompanying consolidated financial statements of Eskaton and Subsidiaries (the "Organization" or "Eskaton") include the following:

Eskaton – Eskaton is a not-for-profit 501(c)(3) California corporation, which was formed in 1968. Eskaton's primary mission is to enhance the quality of life of seniors through innovative health, housing, and social services. Eskaton is the sole corporate member of Eskaton Properties, Inc. ("EPI"), Eskaton Village-Grass Valley ("EVGV"), Eskaton Village-Roseville ("EVR"), Eskaton Village-Placerville ("EVP"), Eskaton Lodge Granite Bay ("ELGB"), Eskaton FountainWood Lodge ("EFWL"), the Reutlinger Community ("TRC"), and Eskaton Foundation, and the sole stockholder of Livable Design ("LD") and California Healthcare Consultants ("CHC"). Eskaton also operates nonmedical homecare services, adult day healthcare services and various community service programs.

EPI – EPI is a not-for-profit 501(c)(3) California corporation that operates skilled nursing care centers and retirement housing communities, home health services, a continuing care retirement community ("CCRC"), and a business services group which provides financial and managerial support to all Eskaton operations. EPI also manages and provides support services to retirement housing communities owned by third-parties and affordable housing communities that operate as single purpose not-for-profit 501(c)(3) California corporations.

EVGV – EVGV is a not-for-profit 501(c)(3) California corporation that operates a 137-apartment assisted living community in Grass Valley, California.

EVR – EVR is a not-for-profit 501(c)(3) California corporation that operates a 96-apartment assisted living community in Roseville, California.

EVP – EVP is a not-for-profit 501(c)(3) California corporation that operates a 64-apartment assisted living community in Placerville, California.

ELGB – ELGB is a not-for-profit 501(c)(3) California corporation that operates a 100-apartment assisted living community in Granite Bay, California.

EFWL – EFWL is a not-for-profit 501(c)(3) California corporation that operated a 91-apartment assisted living community in Orangevale, California. The property was sold in 2021.

TRC – TRC is a not-for-profit 501(c)(3) California corporation that operates a 60-bed skilled nursing and 116-apartment assisted living community as a CCRC in Danville, California.

Eskaton Foundation – Eskaton Foundation is a not-for-profit 501(c)(3) California corporation whose purpose is to raise funds for the benefit of Eskaton programs.

LD – LD, a C corporation, is a taxable subsidiary of Eskaton, and owns a home in Roseville, California that is rented to the general public.

CHC – CHC, a C corporation, is a taxable subsidiary of Eskaton that leases employees to communities owned by third-parties and managed by EPI.

All material intercompany accounts and transactions have been eliminated in consolidation.

EPI, EVGV, and EVR are members of the Eskaton Properties Incorporated Obligated Group (the "Obligated Group") according to a Master Indenture of Trust dated July 1, 1999, and various Supplemental Master Indentures dated subsequent to July 1, 1999 (together, the "Master Indenture").

On March 19, 2019, Eskaton invested \$3 million in a Program of All-inclusive Care for the Elderly ("PACE") partnership with InnovAge and Adventist Health. PACE is an alternative to nursing homes, designed to keep seniors living in their own homes and communities for as long as safely possible. Participants are primarily dually eligible for both Medicare and Medicaid. Eskaton's investment represents a minority interest in the PACE partnership, which is accounted for at cost minus impairment, if any.

On September 11, 2019, Eskaton entered into an affiliation agreement with The Reutlinger Community ("TRC"), which is a 60-bed skilled nursing and 116-unit assisted living and memory care CCRC facility located in Danville, California. The affiliation became effective on April 21, 2020, and Eskaton became the sole member of TRC to further the mission of serving the senior population.

The affiliation was accounted for as a business combination during the year ended December 31, 2020 using the acquisition method of accounting, which requires the basis of the assets acquired and the liabilities assumed to be recorded at their respective fair values at the affiliation date. TRC applied pushdown accounting (purchase method) in its separate financial statements, which resulted in the community recording its assets and liabilities at their fair values at the date of affiliation. As part of the purchase accounting, property, buildings, and equipment with a net carrying value of \$19.9 million were written up to an appraised fair value of \$39.7 million.

The financial statements of TRC have been included in Eskaton's consolidated financial statements, which encompass the post-affiliation period after April 20, 2020. Eskaton did not transfer any consideration in conjunction with this transaction and as such, an inherent contribution of \$45.9 million has been recorded in the consolidated statements of operations and changes in net assets for the year ended December 31, 2020 for the excess of assets over liabilities assumed by Eskaton in the affiliation, of which \$4.7 million represents net assets subject to donor restrictions.

Eskaton and Subsidiaries Notes to Consolidated Financial Statements

The following table summarizes the estimated fair value of the inherent contribution recognized for the assets acquired and liabilities assumed for the affiliation of TRC as of the date of affiliation:

| | TRC |
|---|-----------|
| Cash, cash equivalents, and investments | \$ 8,895 |
| Accounts receivable | 895 |
| Other current assets | 709 |
| Property, buildings and equipment, net | 39,682 |
| Contributions receivable | 1,825 |
| In-place resident contracts | 733_ |
| Total assets | 52,739 |
| Current liabilities | (1,294) |
| Deferred revenue from entrance fees | (107) |
| Mortgage payable, net | (5,449) |
| Total liabilities | (6,850) |
| Inherent contribution from affiliation | \$ 45,889 |

On February 20, 2020, Eskaton executed a letter of intent to sell the real property owned by Eskaton FountainWood Lodge, including the 91-bed licensed assisted living and memory care facility, at an agreed-upon sales price of \$7.8 million. The completion of the sale occurred on January 12, 2021. The \$7.8 million sale price was reduced by a seller credit of \$0.8 million, and consisted of cash consideration of \$3.1 million and a \$3.9 million promissory note maturing in January 2024. Prior to the sale Eskaton FountainWood Lodge had a loan with Five Star Bank that was scheduled to mature in March 2023. The balance on the loan was \$3.8 million as of December 31, 2020, and the loan was paid in full with proceeds from the sale in January 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents – Cash and cash equivalents include cash in banks and short-term money market accounts. The carrying amounts at face value approximate fair value because of the short maturity of these instruments.

The following table provides a reconciliation of cash, cash equivalents, and restricted cash balances reported within the consolidated balance sheets that sum to the total of the same such amounts shown in the consolidated statements of cash flows as of December 31:

| | | | | 2020 |
|---|----|-----------------|----|-----------------|
| Cash and cash equivalents Restricted cash included in assets limited as to use | \$ | 16,392 1,802 | \$ | 19,129 2,561 |
| Total cash, cash equivalents, and restricted cash balances | \$ | 18,194 | \$ | 21,690 |

Amounts included in restricted cash represent funds required to be set aside by lenders. Such deposits include mortgage insurance premiums, property taxes, and property insurance escrow accounts, as well as other balances required to be held for restrictive covenants, including the requirement to maintain certain deposits with the lender. Certain lenders also hold reserve accounts for capital replacement reserves and residual receipts. All such escrow accounts, reserve accounts, and other amounts reflected as restricted cash are included in assets limited as to use.

Investments – Investments in equity securities with readily determinable fair values, and all investments in debt securities, are reported at fair value. Management has elected to carry alternative investments under the fair value option. Investment income or loss (including realized and unrealized gains and losses on investments, interest, and dividends) is included in the (deficiency) excess of revenues, gains, and other support over expenses.

Assets limited as to use – Assets limited as to use include assets held by trustees or lenders under bond indenture and HUD regulatory agreements, and assets restricted by donors for financial assistance to residents of Eskaton communities. Assets limited as to use are reported at fair value. Amounts required to satisfy obligations classified as current liabilities are reported in current assets in the consolidated balance sheets.

Property and equipment – Property and equipment are stated at cost. The cost of property and equipment purchased in excess of \$2,000 is capitalized. Interest capitalized (net of investment income from bond proceeds) in connection with the construction of plant and equipment is recorded as part of the cost of the constructed asset to which it relates and is amortized over the asset's useful life. Depreciation is computed using the straight-line method based on estimated useful lives of property and equipment as follows:

| Land improvements | 10–20 years |
|----------------------------|-------------|
| Buildings and improvements | 7–40 years |
| Equipment | 3–20 years |

Gifts of long-lived assets such as land, buildings, or equipment are reported as support without donor restrictions and are excluded from the (deficiency) excess of revenues, gains, and other support over expenses unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Expirations of donor restrictions are reported as net assets released from restriction when the donated or acquired long-lived assets are placed in service, absent explicit donor stipulations about how long those long-lived assets must be maintained.

Impairment of long-lived assets and long-lived assets to be disposed of – Long-lived assets and certain identifiable intangibles are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets.

Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell. As of December 31, 2020, land available for sale was recorded in the consolidated balance sheets at fair value in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement* ("ASC 820"). The fair value estimate was performed by a third-party specialist using unobservable inputs that are supported by little or no market activity and was, therefore, classified within Level 3 of the valuation hierarchy.

Land available for sale – Eskaton entered into a purchase and sale agreement effective July 28, 2017, that granted a potential buyer the exclusive option to purchase a parcel of undeveloped land that is approximately 12 acres in Lincoln, California for \$5.6 million. The feasibility period concluded February 28, 2018, and the agreement included optional extensions that were exercised by the prospective buyer through March 2020, upon which time the purchase option was not renewed. A purchase letter of intent was received from another prospective buyer in April 2021 for a purchase price of \$5.1 million. The land was carried at an appraised value of \$1.8 million as of December 31, 2020. The land sale closed on December 27, 2021, for the agreed-upon sale price of \$5.1 million.

Self-insured employee health and workers' compensation – The provisions for estimated self-insured employee health and workers' compensation include estimates of the ultimate costs for both reported claims and claims incurred but not reported.

Derivative instruments – Eskaton has entered into a swap agreement to manage interest rate risk on its 2006 Bonds. Swaps are contracts to exchange, for a period of time, the investment performance of one underlying instrument for the investment performance of another instrument without exchanging the instruments themselves. Eskaton entered into this agreement to mitigate cash flow and fair value risks related to changes in interest rates.

Eskaton records in its consolidated balance sheets the estimated fair value of swaps at the consolidated balance sheet date. Because the derivative has not been designated as a hedge for accounting purposes, changes in the fair value of the swap are included in nonoperating revenue (expenses) in the consolidated statements of operations and changes in net assets.

Deferred financing costs – Deferred financing costs are amortized over the period the obligation is expected to be outstanding or the life of bank direct placement agreements associated with variable rate demand bonds, whichever is shorter. Amortization is calculated using the straight-line method, which approximates the effective interest method. Deferred financing costs are included as a direct reduction of long-term debt. Amortization of deferred financing costs is included as a component of interest and amortization expense in the accompanying consolidated statements of operations and changes in net assets.

Net asset classifications – Net assets and changes therein are classified and reported as follows:

Without donor restrictions - Net assets available for use in general operations and not subject to donor restrictions.

With donor restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires; that is, when the stipulated time has elapsed, when the stated purpose for which the resource was restricted has been fulfilled, or both. Contributions for which restrictions are satisfied in the same period as received are recorded as contributions revenue without donor restrictions.

Endowments – Endowments are contributions whose use by Eskaton has been restricted by donors to be maintained by Eskaton in perpetuity. The Board of Directors has interpreted California's enacted Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of endowments, absent explicit donor stipulations to the contrary. As a result of this interpretation, Eskaton classifies as net assets with donor restrictions (a) the original value of gifts donated, (b) the original value of subsequent gifts, and (c) accumulations to the endowment fund made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Generally, the donors of these assets permit Eskaton to use all or part of the investment return on these assets and to appropriate for distribution each year 5 percent of its endowment fund's prior year average fair value. Unrealized gains and investment income allocated to the endowment fund are classified as net assets with donor restrictions, as supported by the associated agreements, until those amounts are appropriated for expenditure by Eskaton in a manner consistent with the standard of prudence prescribed by UPMIFA. In the absence of donor stipulations or law to the contrary, losses on the investments of a donor-restricted endowment fund shall reduce net assets with donor restrictions to the extent that donor-imposed restrictions on net appreciation of the fund have not been met before a loss occurs. Any remaining loss shall reduce net assets without donor restrictions.

Net patient service revenue and home based services revenue – Net patient services are performed in skilled nursing and home health in exchange for a contractual agreed-upon amount or rate. The transaction price for these services is based on standard charges for goods and services provided, reduced by contractual adjustments provided to third parties, or explicit price concessions. Eskaton determines its estimates for contractual adjustments based on contractual agreements and historical experience. Routine services are treated as a single performance obligation satisfied over time as services are rendered. As such, patient care services represent a bundle of services that are not capable of being distinct. Additionally, there may be ancillary services that are not included in the daily rates for routine services. Ancillary services are treated as separate performance obligations satisfied at a point in time, if and when those services are rendered. Revenue is recognized in the month in which the performance obligations are satisfied. Performance obligations satisfied over time for net patient service revenue are recognized based on actual charges incurred. This method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation.

The following represents net patient service revenue and home based services revenue disaggregated by payor source for the years ended December 31, as this best depicts how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors:

| | Year Ended December 31, 2021 | | | | | | | | |
|--|----------------------------------|----|------------------|----------|----------------|----|-------------|----|-----------------|
| | Private Pay | | Other surance | Medicare | | N | ledi-Cal | | Total |
| Net patient service revenue Home based services revenue | \$ 1,492 705 | \$ | 14,845 1,095 | \$ | 4,613 1,800 | \$ | 22,673 - | \$ | 43,623 3,600 |
| | \$ 2,197 | \$ | 15,940 | \$ | 6,413 | \$ | 22,673 | \$ | 47,223 |

| | Year Ended December 31, 2020 | | | | | | | | | |
|--|------------------------------|--------------|--------------------|-----------------|----|----------------|----|---------------|----|-----------------|
| | Private Pay | | Other Insurance | | Me | edicare | N | ledi-Cal | | Total |
| Net patient service revenue Home based services revenue | \$ | 1,326 800 | \$ | 12,666 1,690 | \$ | 3,913 1,305 | \$ | 23,027 117 | \$ | 40,932 3,912 |
| | \$ | 2,126 | \$ | 14,356 | \$ | 5,218 | \$ | 23,144 | \$ | 44,844 |

Resident service revenue – Eskaton provides senior living services to residents for a stated monthly fee. Eskaton recognizes revenue for housing services under independent living, assisted living, and memory care residency agreements in accordance with the provisions of ASC 606, *Revenue from Contracts with Customers* ("ASC 606"). Eskaton has determined that the senior living services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time. In conjunction with its resident services, Eskaton sells CCRC memberships. Revenue associated with these memberships is recognized over the estimated remaining life of the resident.

The following represents resident service revenue disaggregated by service line for the years ended December 31, as this best depicts how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors:

| | Year Ended December 31, 2021 | | | | | | |
|--------------------------|------------------------------|----------------|-----------------------|-----------|-----------|--|--|
| | Assisted Living | Memory Care | Independent Living | CCRC | Total | | |
| Resident service revenue | \$ 22,200 | \$ 6,801 | \$ 8,538 | \$ 50,347 | \$ 87,886 | | |
| | | Year Er | nded December 3 | 1, 2020 | | | |
| | Assisted | Memory | Independent | | | | |
| | Living | Care | Living | CCRC | Total | | |
| Resident service revenue | \$ 26,225 | \$ 9,066 | \$ 8,808 | \$ 43,989 | \$ 88,088 | | |

Government grant revenue – Government grant revenue consists of Provider Relief Funds disbursed by the U.S. Department of Health & Human Services as part of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020. The CARES Act established the Provider Relief Fund ("PRF") to be used for economic support of healthcare entities in connection with healthcare-related expenses or lost revenues attributable to novel coronavirus ("COVID-19") and treatment of uninsured COVID-19 patients. The PRF funds have been accounted for as conditional contributions under ASC 958-605, *Not-for-Profit Entities*—*Revenue Recognition*. Because PRF payments can only be used to prevent, prepare for, or respond to COVID-19, they are considered donor-restricted. Due to the linkage of the conditions with the restrictions, the restrictions were simultaneously satisfied upon meeting the conditions, and therefore the PRF funds have been fully recognized as support without donor restrictions in the consolidated statements of operations and changes in net assets during the year ended December 31, 2021 and 2020.

Other revenue – Other revenue is derived from management agreements and other ancillary revenues. Eskaton manages certain communities under contracts that provide periodic management fee payments to the Organization. Management fees are generally determined by an agreed-upon percentage of gross revenues (as defined in the management agreement). Certain management contracts also provide for an annual incentive fee to be paid to Eskaton upon achievement of certain metrics identified in the contract. There were no incentive fee amounts recorded for the years ending December 31, 2021 or 2020. Eskaton recognizes revenue for community management services in accordance with the provisions of ASC 606. Although there are various management and operational activities performed by Eskaton under the contracts, the Company has determined that all community operations management activities are a single performance obligation, which is satisfied over time as the services are rendered.

Donated services and materials – A number of volunteers donate significant amounts of time to advance Eskaton's program objectives. No amounts are reported in the accompanying consolidated financial statements for donated services since no objective basis is available to measure the value of such services.

Eskaton records the donation of materials when an objective basis is available to measure the value of those donations and when the materials would be purchased if they were not donated. These amounts are recorded as contribution revenues and as expenses.

(Deficiency) excess of revenues, gains, and other support over expenses – The consolidated statements of operations and changes in net assets include (deficiency) excess of revenues, gains, and other support over expenses. Changes in net assets without donor restrictions, which are excluded from the (deficiency) excess of revenues, gains, and other support over expenses, include pension-related changes other than net periodic pension cost.

Advertising – Advertising costs are expensed as incurred and included in purchased services expense in the accompanying consolidated statements of operations and changes in net assets. Advertising expense was approximately \$1,395,000 and \$723,000 for the years ended December 31, 2021 and 2020, respectively.

Income taxes – Eskaton, EPI, EVGV, EVR, EVP, ELGB, EFWL, TRC, and Eskaton Foundation are exempt from income taxes under Section 501(a) of the Internal Revenue Code as organizations described in Section 501(c)(3) and applicable state regulations, except for federal and state tax on income resulting from unrelated business income. LD and CHC are taxable entities; however, income taxes for these entities are not significant to the consolidated financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and measurement attribute for financial statement disclosure of tax positions taken or expected to be taken on a tax return. Recognition of a tax position is determined when it is more likely than not that a tax position will be sustained on examination by the taxing authorities, including resolution of any related appeals or litigation processes. A tax position that meets the more likely than not recognition threshold is measured at the largest amount of benefit that is greater than 50% likely of being realized upon ultimate settlement with a taxing authority. Eskaton recognizes interest and penalties related to income tax matters in operating expenses. As of December 31, 2021 and 2020, there were no such uncertain tax positions.

Use of management's estimates – The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Accounting estimates include fair value measurements of investments, accounts receivable allowances, useful lives of fixed assets, deferred revenue from unamortized CCRC membership fees, future service benefit obligations, self-insured workers' compensation, self-insured employee health costs, interest rate swap liability, unfunded pension obligation, and professional liability.

Fair value measurements – ASC 820 prescribes fair value measurements and disclosures for financial and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the consolidated financial statements. ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 also establishes a framework for measuring fair value and expands disclosures about fair value measurements.

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, other receivables, deposits and prepaid expenses, other assets, and accrued liabilities approximate fair value. The fair values of assets limited as to use and investments are disclosed in Note 4. The fair values of derivative instruments are disclosed in Note 5.

Recent accounting pronouncements – In August 2018, the FASB issued Accounting Standards Update ("ASU") No. 2018-14, *Compensation—Retirement Benefits—Defined Benefit Plans—General (Subtopic 715-20): Disclosure Framework—Changes to the Disclosure Framework for Defined Benefit Plans* ("ASU 2018-14"), to improve the effectiveness of disclosures in the notes to financial statements by facilitating clear communication of the information required by generally accepted accounting principles that are most important to users of financial statements through the removal, clarification, and addition of disclosure requirements. The adoption is effective for the Organization for the fiscal year ending December 31, 2021. Eskaton adopted this standard for the fiscal year ended December 31, 2021, and the adoption did not have a material impact on the consolidated financial statements.

In August 2018, the FASB issued ASU 2018-15, *Intangibles—Goodwill and Other—Internal-Use Software*, to align the requirements for capitalizing implementation costs incurred in a hosting arrangement that is a service contract with the requirements for capitalizing implementation costs incurred to develop or obtain internal-use software. The adoption is effective for the Organization for the fiscal year ending December 31, 2021. Eskaton adopted this standard for the fiscal year ended December 31, 2021, and the adoption did not have a material impact on the consolidated financial statements.

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform (Topic 848)*. The amendments in this ASU are elective and provide optional guidance for a limited period to ease the potential burden in accounting for (or recognizing the effects of) reference rate reform. The amendments in this ASU provide optional expedients and exceptions for applying generally accepted accounting principles (GAAP) to contracts, hedging relationships, and other transactions that reference London Interbank Offered Rate ("LIBOR") or another reference rate expected to be discontinued because of reference rate reform. The amendments in this ASU may be elected as of March 12, 2020 through December 31, 2022. An entity may choose to elect the amendments in this update at an interim period subsequent to March 12, 2020 with adoption methods varying based on transaction type. The Organization is currently evaluating the impact of ASU 2020-04 on the consolidated financial statements.

In January 2021, the FASB issued ASU 2021-01, *Reference Rate Reform (Topic 848)*. The main amendments in this ASU are intended to clarify certain optional expedients and scope of derivative instruments affected in Topic 848. The amendments in this ASU are elective and effective immediately. This ASU was effective upon issuance. Amendments may be elected through December 31, 2022. The Organization is currently evaluating the impact of ASU 2021-01 on the consolidated financial statements.

NOTE 3 – THIRD-PARTY PAYORS

Eskaton has agreements with third-party payors that provide for payments to Eskaton at amounts different from its established rates. A summary of the payment arrangements with major third-party payors follows:

Medicare – Skilled nursing services and home health visits provided to Medicare program beneficiaries are reimbursed under the Prospective Payment System ("PPS"). Eskaton is reimbursed under the PPS system for skilled nursing services on a per diem rate depending on each patient category, which is determined by the Patient Driven Payment Model ("PDPM"). Eskaton is reimbursed under the PPS system for home health visits on a per 30-day case rate depending on each patient category, which is determined by the Patient Driven Groupings Model ("PDGM").

Medi-Cal – Skilled nursing services and home health visits rendered to Medi-Cal program beneficiaries are reimbursed under prospectively determined per diem or per visit rates.

Other – Eskaton has entered into payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. The basis for payment to Eskaton under these agreements includes prospectively determined daily rates and discounts from established charges.

NOTE 4 – ASSETS LIMITED AS TO USE AND INVESTMENTS

Assets limited as to use – The composition of assets limited as to use, stated at fair value, as of December 31 is set forth in the following table (in thousands):

| | 2021 | 2020 | | |
|--|--------------|------|--------|--|
| Required under bond indenture and HUD regulatory agreements for escrow, principal, interest, reserves, and insurance, held by trustee: | | | | |
| Cash and short-term investments | \$ 1,789 | \$ | 1,861 | |
| U.S. Treasury notes, government securities, | | | | |
| and other corporate debt securities | 8,352 | | 8,426 | |
| Resident assistance and program funds with donor restrictions: | 10,141 | | 10,287 | |
| Cash and short-term investments | 13 | | 700 | |
| Equity securities | 252 | | 1,055 | |
| Mutual funds | 1,680 | | 2,837 | |
| | 1,945 | | 4,592 | |
| | 12,086 | | 14,879 | |
| Less current portion | 673 | | 670 | |
| | \$ 11,413 | \$ | 14,209 | |

Investments – Investments, at fair value as of December 31 include the following (in thousands):

| | | 2021 | | 2020 | |
|--|----|--------|----|--------|--|
| Corporate reserves for capital replacement, liquidity, and growth: Cash and short-term investments U.S. Treasury notes, government securities, | \$ | 4,139 | \$ | 737 | |
| and other corporate debt securities | | - | | 8,171 | |
| Equity securities | | 23,481 | | 42,607 | |
| Mutual funds | | 52,253 | | 19,081 | |
| | | 79,873 | | 70,596 | |
| Corporate reserves for resident assistance and charitable gift annuities: | | | | | |
| Cash and short-term investments U.S. Treasury notes, government securities, | | 117 | | 2,176 | |
| and other corporate debt securities | | 107 | | 152 | |
| Equity securities | | 575 | | 2,222 | |
| Mutual funds | | 3,203 | | 5,595 | |
| | | 4,002 | | 10,145 | |
| | | 83,875 | | 80,741 | |
| Less current portion | | 79,873 | | 70,596 | |
| | \$ | 4,002 | \$ | 10,145 | |

ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to measurements involving significant unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that Eskaton has the ability to access at the measurement date.
- Level 2 Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 Inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair value measurement falls is based on the lowest level input that is significant to the fair value measurement, in its entirety.

The fair values of the financial instruments as of December 31, 2021 and 2020 represent management's best estimates of the amounts that would be received to sell those assets or that would be paid to transfer those liabilities in an orderly transaction between market participants at that date. Those fair value measurements maximize the use of observable inputs. However, in situations where there is little, if any, market activity for the asset or liability at the measurement date, the fair value measurement reflects management's own judgments about the assumptions that market participants would use in pricing the asset or liability. Those judgments are developed by management based on the best information available in the circumstances.

The following methods and assumptions were used to estimate the fair value of each class of financial instruments:

Cash and cash equivalents – The carrying amounts at face value approximate fair value because of the short maturity of these instruments.

Marketable investment securities – Certificates of deposit, money market funds, common stock, mutual funds, U.S. government securities, U.S. government bonds, and corporate bonds are measured using quoted market prices at the reporting date multiplied by the quantity held.
Investments by level as of December 31 are as follows (in thousands):

| | | | Fair value measurements at reporting date using | | | | | | |
|---|------|--|---|------------------|--|----------------|------------|---------------------------------|--|
| | | Quoted prices in active markets Significant other December 31, for identical observable 2021 assets (Level 1) inputs (Level 2) | | | active markets Significant other for identical observable | | | ificant ervable (Level 3) | |

| Corporate bonds | | 2,614 | | 2,614 | | - | | - | |
| Total investments, at fair value | \$ | 95,620 | \$ | 95,575 | <u> </u> | | | | |
| | | | | | \$ | 45 | \$ | _ | |

Eskaton management meets at least quarterly with its investment advisor to review the strategy and the ongoing performance of all investments, including analyzing changes in fair value measurements from period to period.

Investment income, expenses, and gains (losses) for assets limited as to use, cash equivalents, and investments are comprised of the following for the years ended December 31 (in thousands):

| | Year Ended December 31, 2021 | | | | | | | | |
|--|------------------------------|----------------------------|------|-------------------|----|----------------------------|--|--|--|
| | | bligated Group | None | obligated | | Total | | | |
| Investment income: Interest and dividend income Realized gains on sales of securities Unrealized gains (losses) on trading securities | \$ | 1,550 11,634 (4,322) | \$ | 280 711 772 | \$ | 1,830 12,345 (3,550) | | | |
| Less investment expenses | | 8,862 349 | | 1,763 19 | | 10,625 368 | | | |
| Total investment income | | 8,513 | | 1,744 | | 10,257 | | | |

| Less investment loss with donor restrictions | | - | | 177 | | 177 | | | |
| Investment loss without donor restrictions | \$ | 8,591 | \$ | 1,982 | \$ | 10,573 | | | |

NOTE 5 – DERIVATIVE INSTRUMENTS AND HEDGING ACTIVITIES

Eskaton has an interest rate swap derivative instrument ("swap") to manage its exposure on its debt instruments. By using derivative instruments, Eskaton exposes itself to credit risk and termination risk. Credit risk exists because Eskaton is dependent upon the interest rate swap counterparty to meet its obligations under the agreement. This risk is measured by the cost associated with replacing the agreement, not by the notional amount of the agreement. At inception, the swap's replacement cost, or fair market value, is close to zero. If interest rates change such that the fair market value of the swap is positive, Eskaton's exposure to the swap counterparty increases as the cost of replacing the agreement increases. If the fair market value decreases, Eskaton's exposure to the swap counterparty decreases. Eskaton minimizes the credit risk in derivative instruments by entering into transactions with high-quality counterparties whose credit rating is higher than A2/A.

Termination risk is the risk that a swap will be terminated by the swap counterparty before maturity and Eskaton, due to adverse market conditions, will be forced to make a cash termination payment to the counterparty. The termination risk associated with swaps is managed by establishing and monitoring parameters that limit the market value sensitivity Eskaton is willing to accept. Termination risk is also mitigated by allowing only Eskaton to have voluntary termination rights and allowing the swap counterparty to terminate only under specific ratings downgrade triggers of Eskaton.

The estimated fair values of derivative instruments have been determined using Level 2 inputs including available market information and valuation methodologies. As of December 31, 2021 and 2020, the fair values of these derivatives were recorded in the consolidated balance sheets at net liabilities of \$3.7 million and \$4.7 million, respectively. The credit risk assumption, as required under ASC 820, reduced Eskaton's interest rate swap liability by \$0.2 million and \$0.3 million in 2021 and 2020, respectively.

Interest rate swap agreement for variable-rate debt – Eskaton has issued variable-rate debt to refinance various debt issuances and finance capital improvements. The variable-rate debt obligations expose Eskaton to variability in interest payments due to changes in interest rates. Management believes it is prudent to limit the variability of a portion of its interest payments. To meet this objective, management entered into a swap agreement to manage fluctuations in cash flows resulting from interest rate risk. This swap effectively changed the variable-rate cash flow exposure on the Series 2006 Bonds to fixed-rate cash flows. Under the terms of the swap, Eskaton makes fixed interest rate payments and receives variable interest rate payments, thereby creating the equivalent of fixed-rate debt. As of December 31, 2021 and 2020, Eskaton was party to a swap agreement with an aggregate notional principal amount of \$16.3 million and \$16.9 million, respectively.

Interest rate swap activities – Interest rate swap activities included in nonoperating revenue (expenses) for the years ended December 31 consist of the following (in thousands):

| | 2021 | 2020 | | |
|--|----------------------|----------------------|--|--|
| Net unrealized gain (loss) on interest rate swap agreements Net payments on interest rate swap agreements | \$ 1,074 (601) | \$ (788) (551) | | |
| Total interest rate swap activities | \$ 473 | \$ (1,339) | | |

NOTE 6 – PROPERTY AND EQUIPMENT, NET

Property and equipment, net as of December 31 consists of the following (in thousands):

| | | 2020 | | |
|--|----|---------------------------------------|----|---------------------------------------|
| Land Land improvements Buildings and improvements Equipment | \$ | 25,403 22,145 226,108 37,664 | \$ | 26,685 21,835 226,984 39,167 |
| Accumulated depreciation | | 311,320 (197,253) | | 314,671 (190,884) |
| Construction in progress | | 114,067 2,229 | | 123,787 4,692 |
| Property and equipment, net | \$ | 116,296 | \$ | 128,479 |

NOTE 7 – LONG-TERM DEBT

| Long-term debt as of December 31 consists of the following (in thousand | ds): | | |
|--|------|--------|--------------|
| Obligated group: | | 2021 | 2020 |
| Series 2013 Tax-Exempt Fixed-Rate Revenue Bonds (Series 2013 Bonds) due 2035, principal due in annual installments and fixed interest of 2.00% to 5.00% due semi-annually; secured by deeds of trust. | \$ | 39,815 | \$ 41,310 |
| Series 2012 Tax-Exempt Fixed-Rate Revenue Bonds (Series 2012 Bonds) due 2034, principal due in annual installments and fixed interest of 2.00% to 5.25% due semi-annually; secured by deeds of trust. | | 28,035 | 29,310 |
| Series 2008A Tax-Exempt Variable-Rate Demand Revenue Refunding Bonds (Series 2008A Bonds) due 2025, principal due in annual installments and variable interest due monthly (1.63% and 1.68% at December 31, 2021 and 2020, respectively); held under a bank direct placement agreement; secured by deeds of trust. | | 9,975 | 11,025 |
| Series 2006 Tax-Exempt Variable-Rate Demand Revenue Bonds (Series 2006 Bonds) due 2022, principal due in annual installments and variable interest due monthly (1.31% and 1.35% at December 31, 2021 and 2020, respectively); held under a bank direct placement agreement; secured by deeds of trust. | | 14,850 | 15,460 |
| Other notes, due through 2021 | | - | 2,018 |
| | | | |

| Nonobligated: | 2021 | 2020 |
|--|---------------------------------|---------------------------------|
| , | | |
| Note payable to ORIX Real Estate Capital, LLC due 2050, principal and interest of 3.07% due in monthly installments of \$53; insured by U.S. Department of Housing and Urban Development under Section 232, pursuant to Section 223(f); secured by deed of trust. | 12,110 | 12,372 |
| Note payable to ORIX Real Estate Capital, LLC due 2047, principal and interest of 2.45% due in monthly installments of \$32; insured by U.S. Department of Housing and Urban Development under Section | | |
| 232, pursuant to Section 223(f); secured by deed of trust. | 7,327 | 7,527 |
| Note payable to First Republic Bank due 2035, principal and interest of 3.85% due in monthly installments of \$40. | 5,137 | 5,411 |
| Other notes, due through 2023, repaid in 2021 | - | 3,769 |
| Unamortized premiums Unamortized deferred financing costs | 117,249 3,013 (2,321) | 128,202 3,233 (2,551) |
| | 117,941 | 128,884 |
| Less current maturities, net of premiums and deferred financing costs of \$8 and \$0 in 2021 and 2020, respectively | 24,340 | 7,462 |
| | \$ 93,601 | \$ 121,422 |

Maturities (as calculated based on the following paragraph) of long-term debt are as follows (in thousands):

Year Ending December 31,

| 2022 | \$ 24,447 |
|------------|---------------|
| 2023 | 4,624 |
| 2024 | 4,812 |
| 2025 | 9,937 |
| 2026 | 3,811 |
| Thereafter | 69,618 |
| | \$ 117,249 |

Eskaton calculated the above maturities of long-term debt as if the variable rate demand bonds held under direct placement agreements with banks were not renewed or successfully remarketed or refinanced and were required to be repaid at the expiration dates in 2022 and 2025. Maturities exclude unamortized premiums and deferred financing costs.

The total amount of long-term debt supported by direct placement agreements as of December 31, 2021 and 2020 was approximately \$24.8 million and \$26.5 million, respectively. Eskaton pays fees on each direct placement facility, which range from 1.25% to 1.76% per annum, plus a percentage of 1-month LIBOR, and are included in interest and amortization expense in the accompanying consolidated statements of operations and changes in net assets.

Interest and amortization expense related to long-term debt for the years ended December 31 comprises the following (in thousands):

| | 2021 | | | 2020 | | |
|---|------|-------|----|-------|--|--|
| Obligated Group: | | | | | | |
| Interest on bonds and notes | \$ | 3,735 | \$ | 4,114 | | |
| Letter of credit and other financing fees | | 55 | | 34 | | |
| Amortization of debt issuance costs | | 192 | | 150 | | |
| Nonobligated: | | | | | | |
| Interest on bonds and notes | | 903 | | 1,056 | | |
| Amortization of debt issuance costs | | 38 | | 34 | | |
| | \$ | 4,923 | \$ | 5,388 | | |

The Series 2013 Bonds, Series 2012 Bonds, Series 2008A Bonds, and Series 2006 Bonds are subject to restrictive covenants contained in the Master Indenture. The Series 2008A Bonds and Series 2006 Bonds are also subject to additional covenants contained in the direct placement agreements with U.S. Bank, N.A. and Compass Mortgage Corporation, respectively. Under the Master Indenture, Eskaton is required to maintain certain deposits with a trustee that are included in assets limited as to use. The Master Indenture and related direct placement agreements also, among other things, require Eskaton to maintain specified debt service coverage ratios and days cash on hand, place limits on Eskaton on the incurrence of additional long-term debt, and require Eskaton to report material adverse changes. Management believes that Eskaton was in compliance with the various covenants as of and for the year ended December 31, 2021, with the exception of a debt coverage ratio covenant associated with the First Republic Bank note payable related to The Reutlinger Community. Eskaton requested a waiver letter from First Republic Bank, but had not obtained the waiver nor had First Republic Bank requested repayment of the note payable as of the date the financial statements are issued. Therefore, the outstanding balance on the note payable of \$5.0 million has been classified as current maturities of long-term debt on the accompanying balance sheets as of December 31, 2021.

The notes payable to Lument (formerly ORIX Real Estate Capital, LLC) are also subject to restrictive covenants, including the requirement to maintain certain deposits with the lender. Such deposits include mortgage insurance premiums, property taxes, and property insurance escrow accounts. The lender also holds reserve accounts for capital replacement reserves and residual receipts. All such escrow accounts and reserve accounts are included in assets limited as to use. Disbursements from the reserve accounts for the proper purpose may be made only after receiving consent in writing from the U.S. Secretary of Housing and Urban Development.

The Series 2006 Bonds are held by Compass Mortgage Corporation under a direct placement agreement expiring May 31, 2022. The Series 2008A Bonds are held by U.S. Bank, N.A. under a direct placement agreement expiring December 1, 2025.

NOTE 8 – PENSION PLANS

Eskaton has a defined benefit cash balance pension plan ("Eskaton Retirement Plan" or the "Plan") whereby, a participant's monthly rate of retirement benefits shall equal one twelfth of the amount determined in accordance with the Plan provisions. A participant may elect an optional form of benefit, including a single lump-sum payment. The Eskaton Retirement Plan covers all employees of Eskaton, EPI, EVGV, EVR, EVP, ELGB, EFWL, Eskaton Foundation, and LD who have attained the age of 21 after completion of one year of service in which the employee completes 1,000 hours of service. The Plan requires five benefit years to vest.

Eskaton also maintains a Supplemental Executive Retirement Plan ("SERP") that provides supplemental funds for retirement or death for selected key employees of Eskaton in the event that the Eskaton Retirement Plan benefits of such individuals are less than the specified target. The SERP is a nonqualified plan intended to meet the requirements of an ineligible deferred compensation plan as described in Section 457(f) of the Internal Revenue Code of 1986. The benefit under the SERP is offset by certain portions of the Eskaton Retirement Plan. It is expected over time that the benefits payable from the SERP will be nearly completely offset by the cash balance pension plan.

The following table presents the changes in the benefit obligations, fair value of assets, and funded status of the Plan as of December 31 (in thousands):

| | Eskaton Retirement Plan | | | SE | RP | | |
|--|-------------------------|---------|----|---------|---------------|----|---------|
| | | 2021 | | 2020 | 2021 | | 2020 |
| Benefit obligation, beginning of year | \$ | 36,663 | \$ | 31,824 | \$ 2,413 | \$ | 1,789 |
| Service cost | | 1,046 | | 906 | 32 | | 2,343 |
| Interest cost | | 759 | | 937 | 47 | | 32 |
| Benefits paid | | (3,444) | | (2,363) | - | | (8) |
| Plan amendment | | 315 | | 1,750 | - | | - |
| Actuarial (gain) loss | | (352) | | 3,609 | (322) | | (1,743) |
| Benefit obligation, end of year | \$ | 34,987 | \$ | 36,663 | \$ 2,170 | \$ | 2,413 |
| Fair value of assets, beginning of year | \$ | 38,392 | \$ | 33,837 | \$ - | \$ | - |
| Return on plan assets | | 4,154 | | 4,458 | - | | - |
| Employer contributions | | 550 | | 2,460 | - | | 8 |
| Benefits paid | | (3,444) | | (2,363) | - | | (8) |
| Fair value of assets, end of year | \$ | 39,652 | \$ | 38,392 | \$ - | \$ | - |
| Funded status at end of year (recognized in unfunded pension obligation and funded pension obligation in the consolidated | | | | | | | |
| balance sheets) | \$ | 4,665 | \$ | 1,729 | \$ (2,170) | \$ | (2,413) |
| | | | - | | | | |

The accumulated benefit obligation for the pension plan was \$34.2 million and \$36.1 million as of December 31, 2021 and 2020, respectively. For the year ended December 31, 2021, there was not a significant gain or loss related to changes in the benefit obligation. For the year ended December 31, 2020, the Plan experienced a \$3.6 million loss related to changes in the benefit obligation primarily due to a decrease in the discount rate.

Net periodic benefit cost recognized and other changes in plan assets and benefit obligations, which are excluded from (deficiency) excess of revenues, gains, and other support over expenses, in 2021 and 2020 are as follows (in thousands):

| | Eskaton Retirement Plan | | | | | | | |
|---|-------------------------|---|----|---|----|-------------------------------|----|----------------------------------|
| | | 2021 | | 2020 | 2 | 021 | | 2020 |
| Service cost Interest cost Expected return on plan assets Amortization of prior service cost Amortization of net gain (loss) | \$ | (1,046) (759) 2,575 (566) (848) | \$ | (906) (937) 2,340 (298) (776) | \$ | (32) (47) - - 304 | \$ | (2,343) (32) - - 179 |
| Settlement charge | | (412) | 1 | - | | - | | - |
| Net periodic benefit cost recognized | | (1,056) | | (577) | | 225 | | (2,196) |
| Other changes in plan assets and benefit obligations recognized in net assets (deficit) without donor restrictions: Net actuarial gain (loss) Prior service cost Impact of settlement accounting | | 2,779 251 412 | | (716) (1,452) - | | 17 - - | | 1,565 - - |
| Total recognized in net assets (deficit) without donor restrictions | | 3,442 | | (2,168) | | 17 | | 1,565 |
| Total recognized in net periodic benefit cost and net assets (deficit) without donor restrictions | \$ | 2,386 | \$ | (2,745) | \$ | 242 | \$ | (631) |

Weighted average assumptions used are as follows:

| | Eskaton Retire | ement Plan | SER | P | |
|--|----------------|------------|-------|-------|--|
| | 2021 | 2020 | 2021 | 2020 | |
| Discount rate - benefit obligation | 2.60% | 2.10% | 2.60% | 2.10% | |
| Discount rate - benefit cost | 2.10% | 3.00% | 2.10% | 3.00% | |
| Expected rate of return on plan assets | 7.00% | 7.00% | n/a | n/a | |
| Rate of compensation increase | 4.00% | 4.00% | 4.00% | 4.00% | |

Eskaton's expected rate of return on plan assets is based on the portfolio as a whole and not on the sum of the returns on individual asset categories. The return is based exclusively on historical returns, without adjustments.

Measurement date – The measurement date used to determine pension benefit measures for the plans is December 31.

Cash flows – Eskaton expects to contribute \$0.5 million to the Eskaton Retirement Plan and \$0.3 million to the SERP during the fiscal year ending December 31, 2022.

The benefits expected to be paid are as follows (in thousands):

| Year Ending December 31: | Es Ret | S | SERP | | |
|---------------------------|-----------|--------------------------|------|-------------------|--|
| 2022 2023 2024 | \$ | 2,527 3,251 2,590 | \$ | 337 189 81 | |
| 2025 2026 2027-2031 | | 3,866 2,800 13,399 | | 265 103 957 | |

The expected benefits are based on the same assumptions used to measure Eskaton's benefit obligation as of December 31, 2021, and include estimated future employee service.

Plan assets – Eskaton's investment policy for the Eskaton Retirement Plan states the overall investment objectives of the account. It also contains a target asset mix and asset mix restrictions, which in combination with the skills of each investment manager should achieve these objectives.

The objectives of the account are expected to be pursued as a long-term goal designed to maximize the returns without exposure to undue risk. Each investment manager's greatest concern is expected to be the long-term appreciation of the assets and consistency of total portfolio returns. Management expects the account to exceed (net of fees) the composite benchmark relevant to the target asset allocation defined in the investment policy.

| Target Asset Mix Table Overall Portfolio | | | | | | | | | | | |
|---|-----------------------|----------------------|-----------------------|--|--|--|--|--|--|--|--|
| Asset class | Minimum percentage | Target percentage | Maximum percentage | | | | | | | | |
| Domestic equities | 30% | 45% | 60% | | | | | | | | |
| Real estate | 0% | 5% | 10% | | | | | | | | |
| International equities | 10% | 15% | 20% | | | | | | | | |
| Domestic fixed income | 15% | 25% | 35% | | | | | | | | |
| Alternative investments | 0% | 10% | 20% | | | | | | | | |

The asset allocations of plan assets as of December 31 are as follows (in thousands):

| | | Fair value measurements at reporting date using | | | | | | | | | | | |
|-------------------------------------|-------------------|---|---|------|------------------------------------|---|---|--|--|--|--|--|--|
| | ember 31, 2021 | in act for | ited prices ive markets identical ts (Level 1) | obse | cant other ervable (Level 2) | Significant unobservable inputs (Level 3) | | | | | | | |

| Total pension assets, at fair value | \$ | 38,392 | \$ | 38,180 | \$ | 212 | \$ | | |

There were no significant transfers between plan assets with inputs with quoted prices in active markets for identical assets (Level 1) and assets with inputs with significant other observable inputs (Level 2) during the years ended December 31, 2021 and 2020.

NOTE 9 – CONTINUING CARE RETIREMENT COMMUNITIES

Eskaton Village Carmichael

Eskaton Village Carmichael ("EVC") is a licensed continuing care community offering independent living, assisted living for those residents needing assistance with two or more of the activities of daily living and residents with cognitive impairments, and skilled nursing for all other residents. EVC is located on a 37-acre parcel of land in Carmichael, California, and consists of the following living units:

| Unit type | Number ofunits |
|-------------------------------------|----------------|
| Apartments | 201 |
| Cottages | 94 |
| Assisted living | 38 |
| Assisted living – special care unit | 20 |
| Skilled nursing | 35 |

Residents of EVC's apartments and cottages pay a membership or entrance fee and sign a membership or residence agreement, which has been approved by the Continuing Care Contracts Branch of the California Department of Social Services. The nonrefundable membership agreement results in a payment to the resident only from reoccupancy proceeds of that apartment or cottage. Residents may resell their membership to another qualified individual, and Eskaton receives a transfer fee of 10% of the original membership fee amount, capped at a maximum of 10% of the new sales price. In addition, appreciation in excess of the original membership fee amount is shared equally between the resident and Eskaton.

The Reutlinger Community

TRC is a 60-bed skilled nursing and 116-unit assisted living and memory care facility in Danville, California. Beginning December 5, 2016, TRC was certified by the State of California Department of Social Services with a provisional license to operate as a CCRC and enter into continuing care contracts with the residents of the community. A permanent license was issued to TRC in 2019.

TRC receives an entrance fee when residents enter into a continuing care agreement. The continuing care agreement is inclusive of care and services, as defined in the agreement. In exchange for a fixed entrance fee and monthly resident service fees, the resident has the right to occupy a unit and continue using the services of the community during his or her lifetime.

CCRC membership and entrance fees provide residents with material rights that are treated as performance obligations satisfied over time as services are rendered. EVC's refundable residence agreement requires an entrance fee, which is deferred and amortized on a straight-line basis over the life expectancy of the residents. Refundable entrance fees totaled \$0.4 million and \$1.2 million as of December 31, 2021 and 2020, respectively.

Eskaton and Subsidiaries Notes to Consolidated Financial Statements

The change in deferred entrance fees during the years ended December 31, 2021 and 2020, consists of the following activity (in thousands):

| | | 2020 | | | |
|----------------------------------|----|---------|----|---------|--|
| Balance, beginning of year | \$ | 7,444 | \$ | 7,763 | |
| New fees received | | 800 | | 765 | |
| Appreciation of resale contracts | | 670 | | 1,056 | |
| Amortization of fees | | (1,958) | | (2,924) | |
| Other | | 490 | | 784 | |
| Balance, end of year | \$ | 7,446 | \$ | 7,444 | |

Eskaton is obligated to provide future services and the use of the CCRC communities to residents. Residents are charged monthly maintenance fees, which are used to pay routine operating expenses. Management has determined that the deferred revenue from unamortized membership and entrance fees and future monthly service fees exceeds the present value of the net cost of future services and use of the CCRC communities to be provided to residents as of December 31, 2021 and 2020, discounted at 2.6% and 3.5% for EVC and TRC, respectively. Accordingly, Eskaton has not recorded a liability to provide future services as of December 31, 2021 and 2020.

NOTE 10 - SELF-INSURED EMPLOYEE HEALTH AND WORKERS' COMPENSATION

Eskaton is self-insured for employee health and workers' compensation up to \$150,000 and \$1 million per claim, respectively. Eskaton maintains stop-loss insurance policies for employee health and workers' compensation with a limit of \$0 per claim and statutory limits, respectively. Accruals have been made for estimated liabilities, including estimates for incurred but not reported claims. Eskaton has recorded a liability of \$2.2 million and \$1.2 million as of December 31, 2021 and 2020, respectively, in relation to employee health. Eskaton has recorded a liability of \$11.7 million and \$13.2 million as of December 31, 2021 and 2020, respectively, in relation to workers' compensation. Eskaton is required to participate as a member in the State of California Self-Insurers' Security Fund, a not-for-profit mutual benefit corporation, to secure its liabilities for self-insured workers' compensation. In Eskaton's past experience, no claims have been made against this financial instrument. Management does not expect any material loss to result from this off-balance-sheet instrument because performance is not expected to be required and, therefore, is of the opinion that the fair value of this instrument is zero. Any related insurance recovery receivables are recorded as due from liability insurer in the accompanying consolidated balance sheets.

NOTE 11 - PROFESSIONAL LIABILITY INSURANCE

Eskaton maintains claims-made commercial professional liability insurance coverage with California Healthcare Insurance Company covering losses up to \$5 million per claim, annual aggregate of \$15 million, with a \$10,000 deductible per claim. Eskaton also purchases excess professional liability insurance coverage of \$10 million per claim and \$10 million aggregate over the primary insurance coverage limits. Eskaton has recorded a liability of \$1.5 million and \$1.4 million for the tail exposure as of December 31, 2021 and 2020, respectively. In accordance with ASC 954-450, *Health Care Entities—Contingencies*, Eskaton has also recorded a liability of \$5.9 million and \$4.7 million as of December 31, 2021 and 2020, respectively, for estimated claim liabilities insured under its liability policy. These amounts are recorded as professional liability in the accompanying consolidated balance sheets. Any related insurance recovery receivables are recorded as due from liability insurer in the accompanying consolidated balance sheets.

NOTE 12 - COMMITMENTS AND CONTINGENCIES

Various legal settlements were reached that resulted in professional fees expense of \$5.5 million and \$8.2 million in the consolidated statements of operations and changes in net assets for the years ended December 31, 2021 and 2020, respectively.

With these settlements, Eskaton was able to close its \$15.3 million letter of credit with U.S. Bank, and the corresponding court-mandated appeal bond of \$25.4 million. Both the standby letter of credit and the appeal bond were closed in October 2020.

Eskaton is a defendant in other various legal actions arising from its normal conduct of business. It is the opinion of Eskaton's management, after consulting with legal counsel, that the outcome of such matters will not have a material adverse effect on the consolidated financial position or results of operations of Eskaton.

In March 2020, the World Health Organization declared the COVID-19 outbreak a public health emergency. The COVID-19 outbreak in the United States has not resulted in an Organization facility closure; however, facility closures or disruption in operations of customers, suppliers, or third-party payers, could adversely impact the Organization's results of operations to the extent that COVID-19, or any other epidemic, harms the global economy. The ultimate duration and intensity of the impact of COVID-19 and resulting disruption to the Organization's operations is uncertain.

NOTE 13 – CONCENTRATIONS OF CREDIT RISK

Eskaton's financial instruments that are exposed to concentrations of credit risk consist primarily of bank demand deposits in excess of Federal Deposit Insurance Corporation ("FDIC") and Security Investor Protection Corporation ("SIPC") limits and its accounts receivable.

Eskaton's operating facilities are located primarily in the Sacramento, California, metropolitan area. Eskaton grants credit without collateral to its patients and residents, most of whom are insured under third-party payor agreements.

Accounts receivable, net from patients and third-party payors as of December 31 are as follows (in thousands):

| | | 2020 | | | |
|--------------------------|----|-------|----|-------|--|
| Medicare | \$ | 2,139 | \$ | 890 | |
| Medi-Cal | | 2,308 | | 2,557 | |
| Other third-party payors | | 2,626 | | 1,310 | |
| Patients and residents | | 1,055 | | 980 | |
| | \$ | 8,128 | \$ | 5,737 | |

NOTE 14 – NATURAL AND FUNCTIONAL EXPENSES

The consolidated financial statements report certain expense categories that are attributable to more than one service or support function. Therefore, these expenses require an allocation on a reasonable basis that is consistently applied. Costs not directly attributable to a function including depreciation, interest and amortization, and insurance and other are allocated to a function based on a units-of-service basis. Expenses related to providing these services for the years ended December 31 are as follows (in thousands):

| | Year Ended December 31, 2021 | | | | | | | | | | | | | | |
|---------------------------|------------------------------|----------|-------------------------|---------|----------|---------|----------|-------|-------------|---------|--------|----------|----|---------|--|

| Interest and amortization | | 262 | | 4,514 | | - | | - | | - | | 612 | | 5,388 | |
| Total Expenses | \$ | 50,365 | \$ | 68,234 | \$ | 218 | \$ | 2,717 | \$ | 207 | \$ | 42,015 | \$ | 163,756 | |

NOTE 15 – LIQUIDITY DISCLOSURE

As of December 31, 2021 and 2020, Eskaton has a working capital surplus of \$72.4 million and \$78.9 million, and average days' cash on hand of 239 and 242 days, respectively.

Financial assets available for general expenditure within one year of the consolidated balance sheet date consist of the following (in thousands) as of December 31:

| | 2021 | 2020 |
|---------------------------|---------------|---------------|
| Cash and cash equivalents | \$ 16,392 | \$ 19,129 |
| Investments | 83,875 | 80,741 |
| Accounts receivable, net | 8,128 | 5,737 |
| Other receivables | 3,503 | 3,395 |
| | \$ 111,898 | \$ 109,002 |

Eskaton manages its liquidity by developing annual operating budgets that provide sufficient funds to support operating expenditures, liabilities, and other obligations. Eskaton's cash needs are expected to be met through operating revenue sources.

NOTE 16 - HEALTH AND SAFETY CODE SECTION 1790(a)(3) DISCLOSURE

The following disclosure is made pursuant to Section 1790(a)(3) of the California Health and Safety Code: no reserves are being accumulated for identified projects or contingencies.

NOTE 17 – SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the consolidated balance sheet date but before consolidated financial statements are issued. Eskaton recognizes in the consolidated financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the consolidated balance sheet, including the estimates inherent in the process of preparing the consolidated financial statements. Eskaton's consolidated financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the consolidated balance sheet but arose after the consolidated balance sheet date and before consolidated financial statements are issued.

Subsequent events have been evaluated through April 22, 2022, which is the date the consolidated financial statements were issued.

Eskaton supports community charitable organizations, and other not-for-profit aging services organizations that provide services to older adults, through financial contributions to those organizations. Direct and indirect impacts of the COVID-19 pandemic slowed certain charitable initiatives during 2021. In addition, Eskaton provides the following community service programs:

Resident Assistance Funds – Eskaton contributes funds to and solicits donations to various resident assistance funds that provide help to older adults who can no longer afford the monthly fees associated with their care and do not have sufficient family resources to cover the full cost of services. Residents are screened based on income and net assets and family resources and eligible residents are provided a monthly assistance stipend to supplement available income as necessary.

Telephone Reassurance Program – Eskaton owns and operates a telephone reassurance/home visitor program. The Telephone Reassurance Program is provided primarily by volunteers, is free to clients, and includes daily telephone calls and/or weekly home visits to isolated older adults.

Scholarship Commitments – During 2021 Eskaton committed \$250,000 of scholarship funds to local colleges and universities to help develop a diverse workforce in the aging services industry. These scholarships are intended to help support and promote future leaders who are majoring in gerontology and nursing programs. These commitments will be paid over five years, including \$25,000 paid in 2021.

Social responsibility costs – The Organization considers the actual costs of charitable community organizations and aging services organization sponsorships, and actual costs, net of any reimbursement, of providing community service programs, to be social responsibility. The level of social responsibility provided for the years ended December 31 is measured as follows (dollar amounts in thousands):

| | 2 | 021 | 2020 |
|---|----|--------|-------------|
| Community sponsorships | \$ | 50 | \$ 126 |
| Aging services sponsorships | | 33 | 45 |

Report of Independent Auditors

To the Board of Directors Eskaton, Eskaton Village Carmichael, and The Reutlinger Community

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Eskaton, Eskaton Village Carmichael, and The Reutlinger Community, which comprise the continuing care liquid reserve schedules, Form 5-1 through Form 5-5, as of and for the year ended December 31, 2021.

In our opinion, the financial statements referred to above present fairly, in all material respects, the continuing care liquid reserves of Eskaton, Eskaton Village Carmichael, and The Reutlinger Community as of and for the year ended December 31, 2021, in conformity with the liquid reserve requirements of California Health and Safety Code Section 1792.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eskaton, Eskaton Village Carmichael, and The Reutlinger Community and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to the basis of accounting used to prepare the financial statements. The financial statements are prepared by Eskaton, Eskaton Village Carmichael, and The Reutlinger Community on the basis of the liquid reserve requirements of California Health and Safety Code Section 1792, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of California Health and Safety Code Section 1792. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquid reserve requirements of California Health and Safety Code Section 1792, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may include collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of Eskaton, Eskaton Village Carmichael, and The Reutlinger Community's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eskaton, Eskaton Village Carmichael, and The Reutlinger Community's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements, as a whole. The accompanying Statement of Cash Flows – Direct Method; Supplementary Form 5-4 – Reconciliation to Audit Report; Supplementary Form 5-5 – Description of Reserves under SB 1212; and Supplementary Form 5-5 – ALATU – Composition of Assets, presented as supplementary schedules, are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements, taken as a whole.

Restriction on Use

Our report is intended solely for the information and use of the Board of Directors and management of Eskaton, Eskaton Village Carmichael, and The Reutlinger Community and the California Department of Social Services, and is not intended to be, and should not be, used by anyone other than these specified parties.

All providers are required by Health and Safety Code section 1789.1 to provide this report to prospective residents before executing a deposit agreement or continuing care contract, or receiving any payment. Many communities are part of multi-facility operations which may influence financial reporting. Consumers are encouraged to ask questions of the continuing care retirement community that they are considering and to seek advice from professional advisors.

DAYS CASH ON HAND RATIO

Unrestricted Current Cash & Investments + Unrestricted Non-Current Cash & Investments

(Operating Expenses – Depreciation – Amortization)/365

NOTE: These formulas are also used by the Continuing Care Accreditation Commission. For each formula, that organization also publishes annual median figures for certain continuing care retirement communities.

ESKATON THE REUTLINGER COMMUNITY ATTACHMENT TO DISCLOSURE WORKSHEET

RESIDENT REPRESENTATIVE TO THE BOARD: The Eskaton Village Carmichael Resident Council (EVC Resident Council) elects a representative to the Eskaton Board of Directors (CCRC Representative) to serve a two year term. The CCRC Representative attends the four quarterly board meetings of Eskaton, including the full agenda of the annual Eskaton Board Retreat. The CCRC Representative is excluded only from executive sessions of the Eskaton Board. The CCRC Representative reports Eskaton Board actions and discussions back to the EVC Resident Council on a quarterly basis.

RESIDENT MEMBER OF THE BOARD: The EVC Resident Council nominates one resident (CCRC Director) to serve a nine year term on the Eskaton Board of Directors. The CCRC Director attends the four quarterly board meetings of Eskaton, including the full agenda of the annual Eskaton Board Retreat. The CCRC Director is not excluded from executive sessions of the Eskaton Board.

PART 7 REPORT ON CCRC MONTHLY CARE FEES

FORM 7-1 REPORT ON CCRC MONTHLY CARE FEES

Complete **Form 7-1** to report the monthly care fee increase (MCFI) for **each** community operated by the Provider. If no adjustments were made during the reporting period for a community, indicate by checking the box below **Line [2]**. Providers must complete a separate Form 7-1 for each of their continuing care retirement communities.

- 1. On **Line 1**, enter the amount of monthly care fees for each level of care at the *beginning* of the reporting period.
- 2. On **Line 2**, indicate the percentage(s) of increase in fees implemented during the *reporting* period.
- 3. On **Line 3**, indicate the date the fee increase was implemented. If more than one (1) increase was implemented, indicate the date(s) for each increase.
- 4. Check *each* of the appropriate boxes.
- 5. Provide a detailed explanation for the increase in monthly care fees including the total dollar amount for the community overall and corresponding percentage increase for each level of care in compliance with the Health and Safety Code. The explanation shall set forth the reasons, by department cost centers, for any increase in monthly care fee. It must include if the change in monthly care fees is due to any actual or projected costs related to any other CCRC community or enterprise affiliated with the provider or parent company.

The methodology used to budget future costs should align with one or more of the following factors: "projected costs, prior year per capita costs and economic indicators." Describe the methodology used for single or multiple communities. If there are multiple MCFI percentages, i.e., by level of care, a separate explanation for each MCFI will be required.

Also, if there is a positive result of operations, the provider will need to explain how the funds will be used and/or distributed consistent with disclosures made in the applicable sections of the Continuing Care Contract.

This attachment should include the data used in the Monthly Care Fee Increase meeting presentation provided to residents, which will also include actual results and an explanation of any variances.

NOTE: Providers shall retain all documents related to the development of adjusted fees at their respective communities for a period of at least three years, i.e., budgets, statements of operations, cost reports, used near the end of the prior fiscal year to develop adjustments implemented in the current reporting period. These documents must be available for review upon request by the Department.

FORM 7-1 REPORT ON CCRC MONTHLY CARE FEES

| | | RESIDENTIAL LIVING | ASSISTED LIVING | MEMORY CARE | SKILLED NURSING |
|----|--|-----------------------|--------------------|----------------|--------------------|
| 1. | Monthly Care Fees at beginning of reporting period: (indicate range, if applicable) | <u>N/A</u> | \$6,260-8,533 | \$8,497-9,465 | 12126-16445 |
| 2. | Indicate percentage of increase in fees imposed during reporting period: (indicate range, if applicable) | _N/A | _0% | 0% | _0% |

Check here if monthly care fees at this community were <u>not</u> increased during the reporting period. (If you checked this box, please skip down to the bottom of this form and specify the names of the provider and community.)

3. Indicate the date the fee increase was implemented: ______(If more than one (1) increase was implemented, indicate the dates for each increase.)

4. Check each of the appropriate boxes:

Each fee increase is based on the Provider's projected costs, prior year per capita costs, and economic indicators.

All affected residents were given written notice of this fee increase at least 30 days prior to its implementation.

Date of Notice:_____ Method of Notice:_____

At least 30 days prior to the increase in fees, the designated representative of the Provider convened a meeting that all residents were invited to attend. **Date of Meeting:**______

At the meeting with residents, the Provider discussed and explained the reasons for the increase, the basis for determining the amount of the increase, and the data used for calculating the increase.

□ The Provider distributed the documents to all residents by [check all that apply]:

Emailed the documents to those residents for whom the provider had email addresses on file

- □ Placed hard copies in resident cubby
- □ Placed hard copies at designated locations
- Provided hard copies to residents upon request, and/or
- Other: [please describe]

□ Date of Notice: _____

| The Provider provided residents with at least 14 days advance notice of each meeting held to discuss the fee increase | s. |
|---|----|
| Date of Notice: | |

☐ The governing body of the Provider, or the designated representative of the Provider posted the notice of, and the agenda for, the meeting in a conspicuous place in the community at least 14 days prior to the meeting.

Date of Posting:______Location of Posting:_____

□ Providers evaluated the effectiveness of consultations during the annual budget planning process at a minimum of every two years by the continuing care retirement community administration. The evaluation, including any policies adopted relating to cooperation with residents was made available to the resident association or its governing body, or, if neither exists, to a committee of residents at least 14 days prior to the next semiannual meeting of residents and the Provider's governing body and posted a copy of that evaluation in a conspicuous location at each facility.

Date of Posting:______ Location of Posting: _____

5. On an attached page, provide a detailed explanation for the increase in monthly care fees including the amount of the increase and compliance with the Health and Safety Code.

PROVIDER: Eskaton

COMMUNITY: The Reutlinger Community
